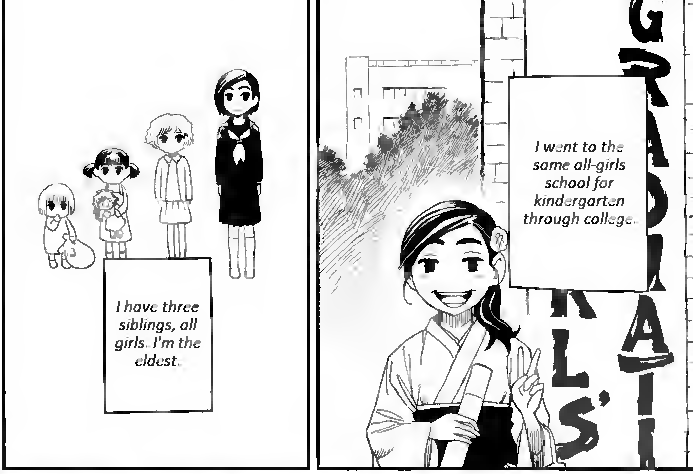
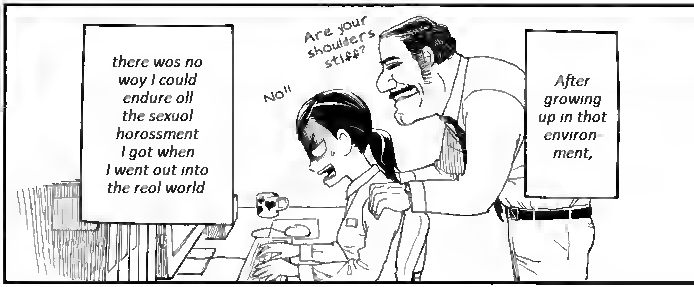
AMANO SHIRO

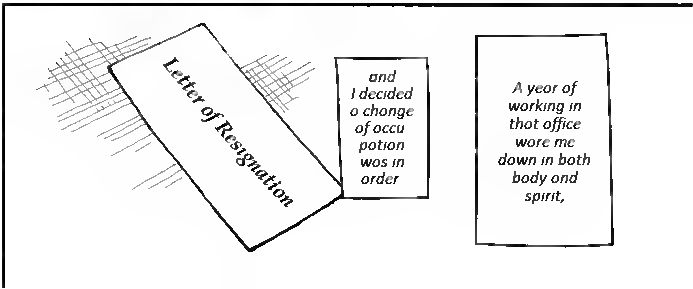
I'm Oota Maki I'm 24 yeors old
After college, I worked in an office for a year, then quit to became an estheticion instead.
The reoson I quit
wos thot I couldn't stond to be surraunded by men all the time.



I have three siblings, all girls. I'm the eldest.
I went to the same all-girls school for kindergarten through college.



there was no way I could endure all the sexual harassment I got when I went out into the real world
Are your shoulders stiff?
No!!
After growing up in that environment,



Letter of Resignation
and I decided a change of occupation was in order
A year of working in that office wore me down in both body and spirit,

What sort of underwear do you have on right now?
What colors do you like?
But my interviewer was a man, so I gave up on that.
LINGERIE
My first idea was to work for a company that made underwear

*Low-mait bra.

LET US TEND TO ALL OF YOUR BEAUTY NEEDS
AS YOU ENJOY OUR RELAXING ATMO-SPHERE.
BEAUTIFUL LADY! A SALON BY WOMEN, FOR WOMEN.
HAPPOUSHU*
One day, when I was about ready to give up hope of finding an all-female workplace...
KYUJIN

...I've found
my calling!
But I'd been looking after my sisters for years, so it didn't seem that bad to me.
DIRTY
Because of the glamorous atmosphere, some of my fellow trainees were surprised by the amount of hard work involved

Now the training period is over, and it's time for evaluations
